

Puppy contract

This agreement is between Steven Barkman (seller) and \_\_\_\_\_(buyer).

Puppy name:\_\_\_\_\_ Color of Puppy:\_\_\_\_\_ Markings:\_\_\_\_\_

Date of Birth:\_\_\_/\_\_\_/\_\_\_ Date puppy went home:\_\_\_/\_\_\_/\_\_\_

For \$\_\_\_\_\_, the seller agrees to sell and the buyer agrees to purchase a female\_\_\_,male\_\_\_, companion puppy described above, subject to the following terms.

Seller warrants that the above described puppy is a purebred, and registerable with AKC, and that registration papers have been provided as of the date of completed purchase. Seller warrants that the above described puppy is in good health at the time the buyer assumes ownership and free from contagious disease such as parvo and distemper for a period of 10 days.

Listed here are a few examples that do not apply and are not covered within this health guarantee, are as follows but not limited to; Any skin infection like lice or mange that may occur after your puppy leaves the seller. Fleas or parasites of any kind, (internal or external). Small umbilical hernia not requiring surgery. Stress induced diarrhea due to the puppy's transition from the Seller's home. Any diseases the puppy might pick up after leaving the seller.

Buyer must vaccinate puppy with the appropriate vaccines at the appropriate time and age of the puppy. Contact your local veterinarian for vaccine schedules. Please know that all puppies can have worms or parasites. We deworm regularly and to the best of our knowledge, your puppy has no parasite issue.

If your puppy has a life altering condition that proves to be genetic, up to the time the puppy is one year of age, you have two options. The seller will either replace your puppy with another puppy of the same breed and gender from the first available litter, or buyer can return puppy to the seller for a refund of the cost of the amount paid for the puppy. The seller will in no case refund more than the cost of the puppy upon purchase. A full veterinary report diagnosing the issue must be presented to the seller, along with the veterinary's contact information and signature. The report must prove that the puppy has not been abused or neglected, and must prove that the condition is genetic. If buyer elects to receive a puppy of equal value, buyer is responsible for all shipping costs.

Upon execution of this contract all veterinary care and its associated costs are the sole and exclusive responsibility of the buyer.

If the puppy is resold to another party other than who the seller sold the puppy to or at a different residence from where my records indicate the puppy was to go to, this health guarantee is void immediately.

Our goal is to provide you with a healthy puppy that will stay in your family for years to come. We don't want to see your puppy with a health issue any more than you do. If your puppy shows up with any health issue, please contact us so that we are aware of it.
